<b>Technical &amp; Production Notes</b>			
<b>Run of Show:</b> Lots of laughs from the top of the show, much more like the audience the first night. The reindeer fell into the audience tonight when Jenny snapped off its ear, Joe ran into the audience and grabbed it. Laughter for: the reveal of the Stacks Pancakes, the first chlamydia line, Snuggie Shush, Maybelline not telling her name, Rufus spraying the palm trees, the Fart and the Tree Scene.
